

5th September 2023

Dear Parents and Carers,

I hope you all enjoyed a lovely summer holiday. It has been wonderful to be in school with the children on their second day back, they all look very smart in their school uniforms and ready for the new academic year.

Miss Crozier celebrated getting married over the summer holidays and so her name has changed to Mrs Ngwerume. I know everyone will join me in offering our congratulations to both Mrs and Mr Ngwerume and in wishing them all the very best for their future together.

We have our 'Meet the Teacher' presentations starting on Wednesday 6th September at 3.30pm in the school hall. This is a great opportunity for parents to find out about the intended learning for their child in the year ahead, including any statutory assessment information or school trips, including residential. Each meeting will take place in the school hall at 3.30pm and will be no longer than 30 minutes. We look forward to seeing as many parents as possible at each meeting.

As you are aware, I have been appointed to a new role from September as Executive Lead at St Brendan's and St Edward's Catholic Primary School, in Kettering. I will be dividing my time between both schools with a focus on school improvement and raising outcomes for all pupils. Miss MacKay, as Head of School, will be responsible for the operational, day to day running of the school and if you need to raise a query or concern, please always speak with your child's class teacher in the first instance, when they are available at the end of the school day, or Miss MacKay.

You will receive a newsletter and event dates for the year by the end of this week, along with your child's class newsletter, which has more details about subjects they will be studying and suggested websites / apps to support further learning at home if they wish to. Please remember our homework policy is focused on reading, spelling and timetables, class teachers can advise what would be best suited for your child if you need further support.

I am very much looking forward to this academic year, as I know how strong our home and school partnerships are to support our children to make the very best progress within all areas of their learning.

With Kindest regards

Mrs Brydon
